The Daughter of the Commandant (better known as *The Captain's Daughter*) is a historical novel, considered to be Pushkin's finest prose work. The novel is a romanticized account of Pugachev's Rebellion in 1773-74. 17-year-old Pyotr Andreyich is sent by his father to military

service in a remote Russian outpost, where he earns honor and love while being caught up in a violent uprising of tribal groups against the imperial government. *(Wikipedia)*
